Betty Fighingale
16 High Street
Port Fairfield

Betty,

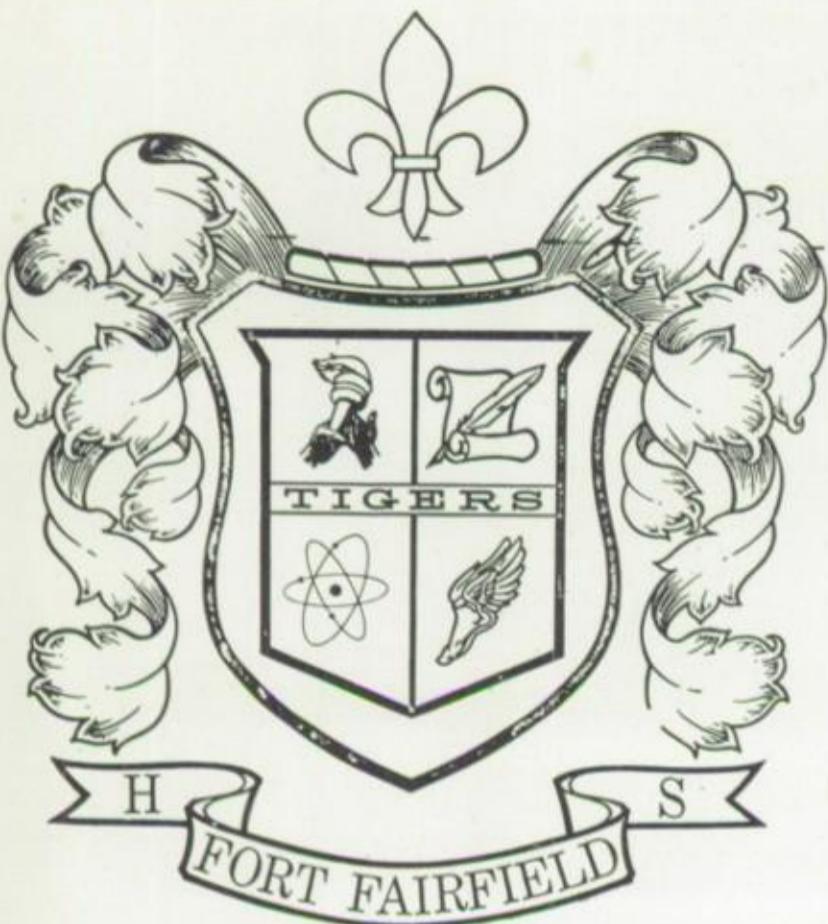

Well I don't know where to start. You've been a good friend and I know I can always count on you and I hope you feel the same way. It's hard to believe we're leaving next year. Always try to keep in touch when you leave. Keep your youthful stature and wonderful personality and you'll receive everything you want out of life.

Love,
Terri

Betty, you've really been a lot this year. I've gotten to know you a lot better and I think of you as one of my best friends. I hope we will be able to get together this summer, the Drive-In when you said that you & Chuck were secretly married! Ha Ha, you really made me believe it too! I really can't think of anything intelligent to say. Just keep smiling and everything will turn out good. Now doesn't that sound mushy! Anyways, best wishes always, for you and for Chuck,

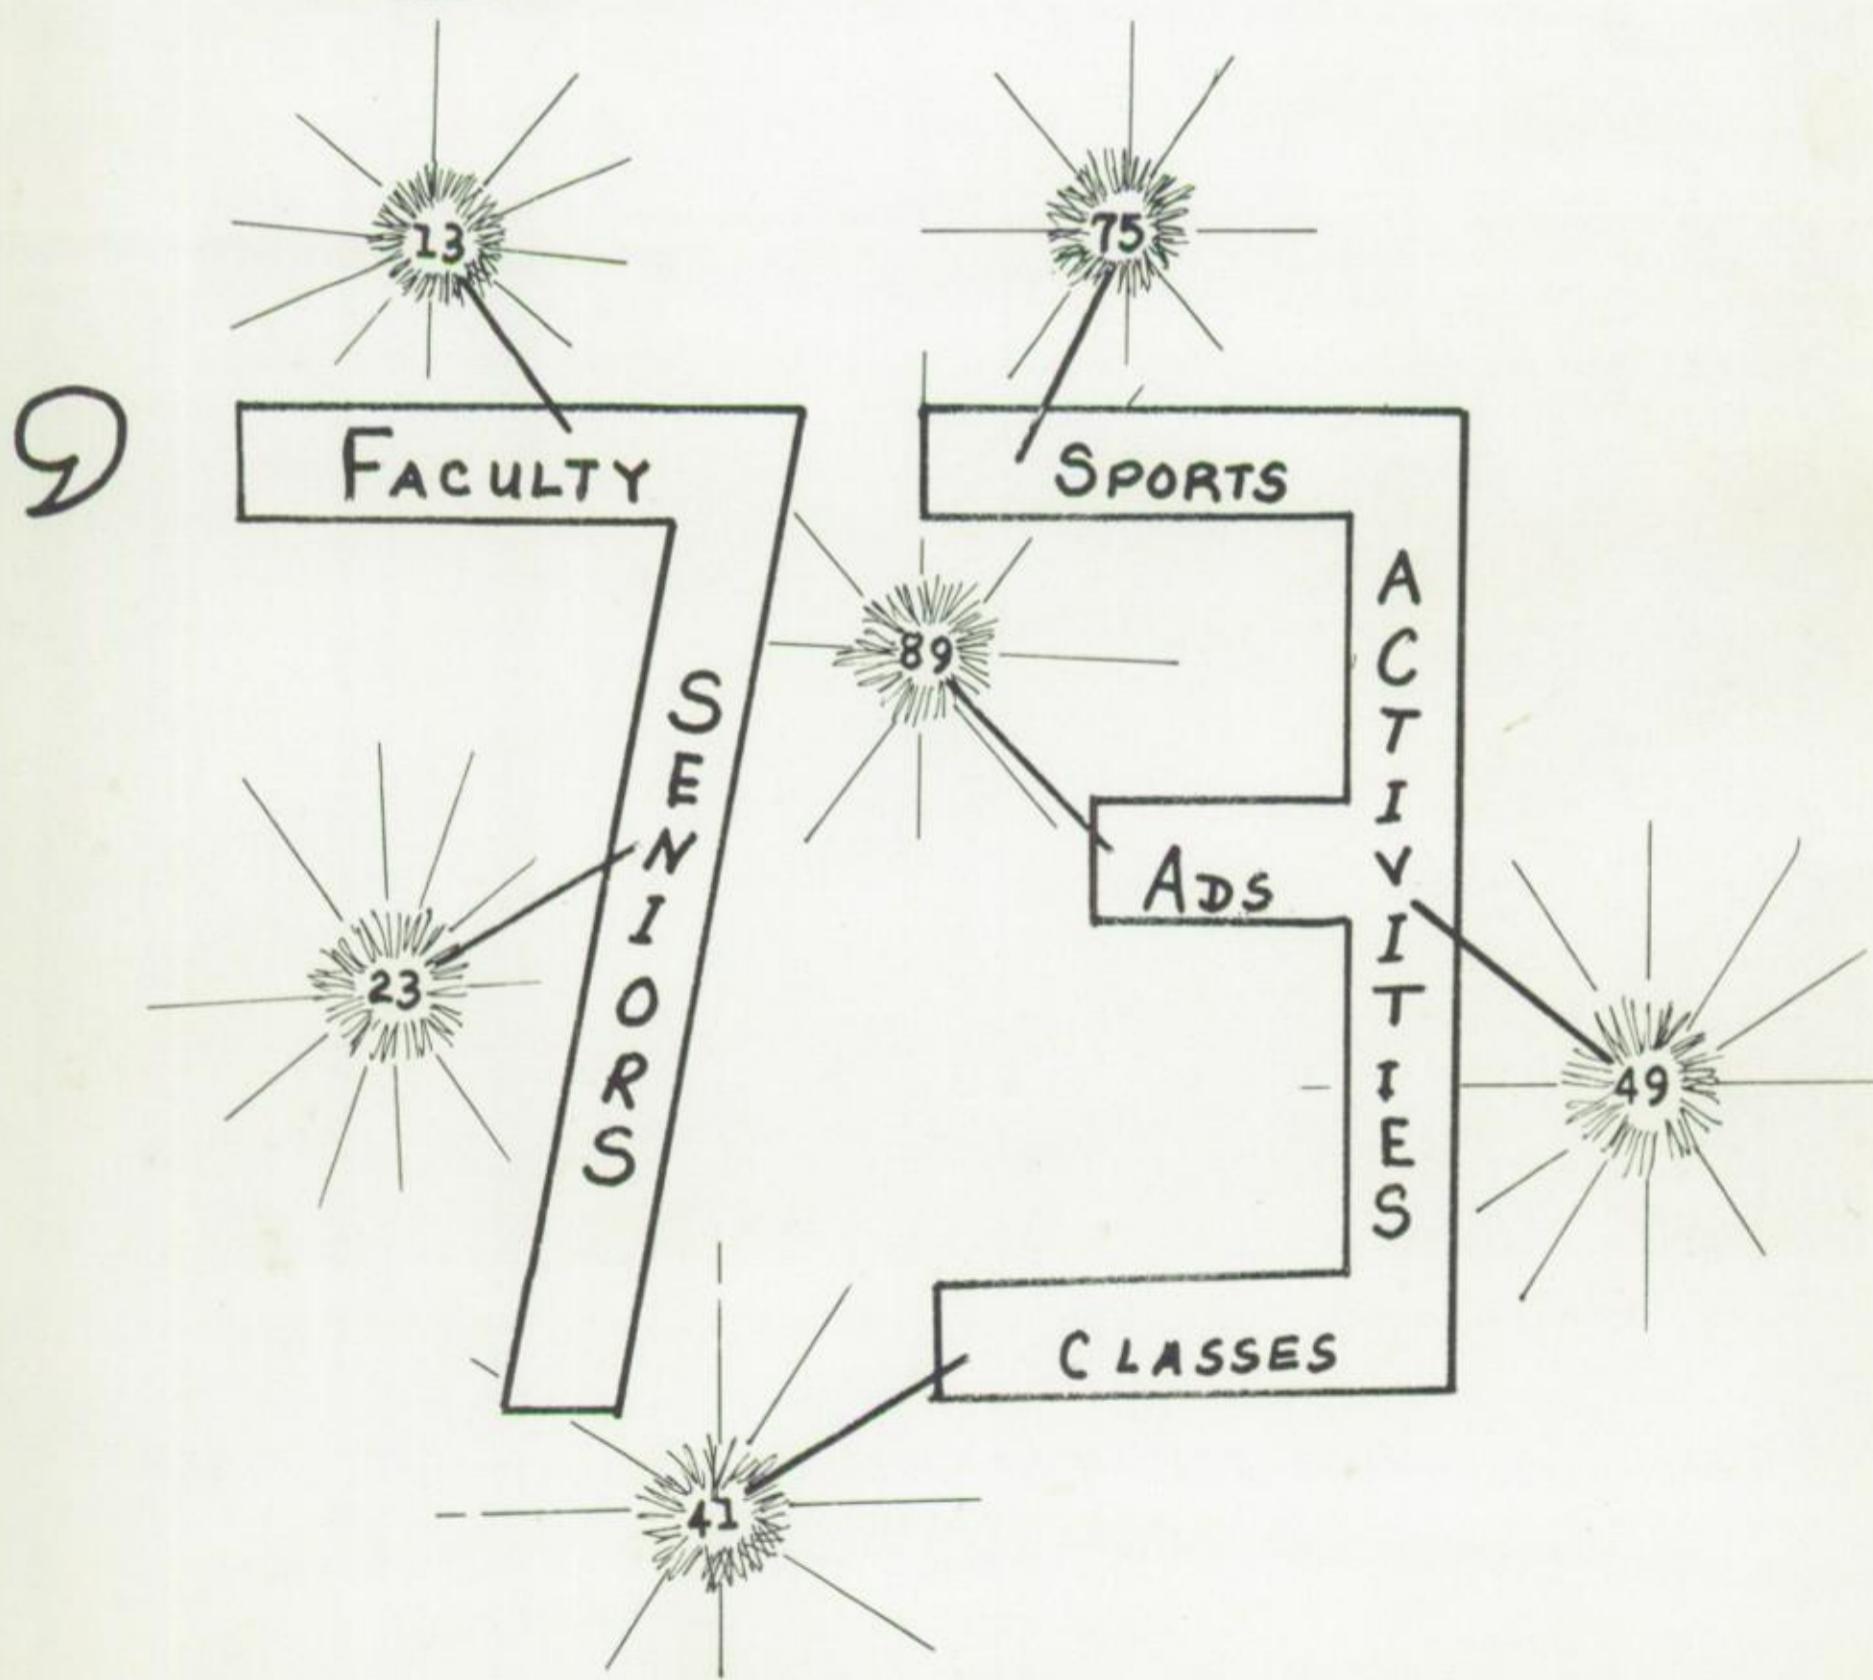

Love,
Jan

PS. Don't get sick of all that! Lettuce!

"I shall pass through this world but once. If, therefore, there be any kindness I can show, or any good thing I can do, let me not defer it or neglect it, for I shall not pass this way again."

**Who am I?
I feel like
a displaced
minority of one.**

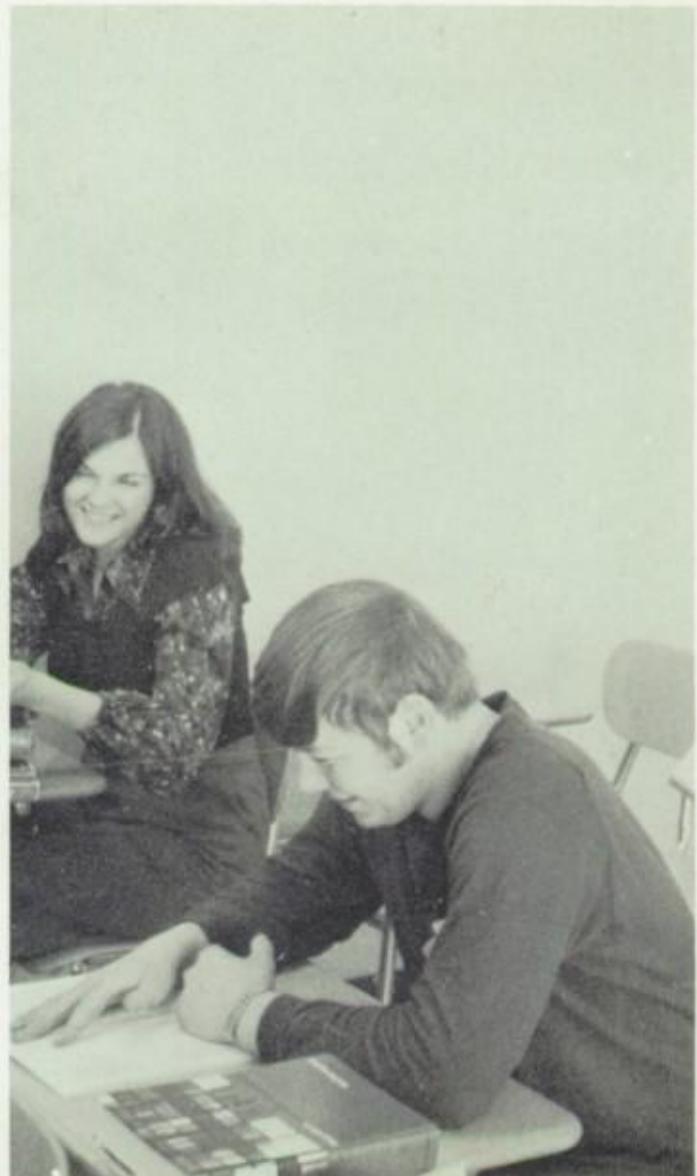

**A minority that knows no companions.
A minority that knows no one to trust.
A minority that fears people.**

A minority that can't identify.

A minority that fears.

I fear myself
I fear people
I fear like one who
trusts not even himself

**Who am I?
I feel like
One always searching
One searching for
companions
One searching for
one to trust
One searching for
himself —**

Well Betty,
I'll sign here so I don't have to remind that
we'll be in this same position next year! It's
hard to believe isn't it? Well, I've gotten to know
you quite well this year and I hope next year
will be the same if not even more so. You will
really grow a great personality. Stay the same
and don't get to the point of knowing all these
dirty jokes. I don't know what happened to you
this past year, and, boy! Have you changed!
Everyone has already told you! Remember all the
great times we've had; like
band trips, cheerleading and
library times during hot
lunch!!?! Thanks for lis-
tening to all my problems
even if you didn't want to
listen. Just remember
that I'll be here if
you want to talk about
yours!

Love,
Anita

Throughout the year the Student Council has been very successful in their money-raising projects; therefore we will contribute two scholarships to the Seniors. To raise money the Council raffled off a tape cassette, and have sold doughnuts and coffee in the morning.

In November, we sponsored the Regional Convention in which we all attended. We are presently planning an Honor Week when we will honor the different departments of our school.

In March, we plan to attend the State Convention in Biddeford.

Betty love
Chewie
M

Betty,
This is probably a poor place to write,
but I wanted a lot of room. Now, I
don't know where to start, whether
I should start with Canaan or
Biddeford or Quebec. I suppose it
doesn't make much difference;
we had great times at those
places and at many others. Too
bad we couldn't go shopping at
Biddeford very long, but we did
a little -- since we were already
there Ha! And of course I have
to mention Canaan; that was
something else! I wish we
could go down there some time!
-- it was so beautiful! Maybe
sometime we can arrange it, as
long as Andy & Bob don't get jealous Ha.
But we know the truth now --
don't we? Good luck in the future
and remember, if you ever need
any advice I am ^{always} there to listen.
We have been good friends for a
long time and I think we will al-
ways be.

Love, Marie
